

Vendors for Remote Coaching

Product Name	Description (by vendor)	Website	Cost
ADVANCE Feedback	ADVANCEfeedback™ (formerly ObserverNet) gives K-12 administrators and teachers tools to manage the observation and feedback process. The platform can work with a district or school's own personnel (observers) or Insight's content-expert coaches using the school or district's required criteria.	https://www.edsurge.com/advancefeedback	Annual subscription
EdConnective	Using video, provides additional observation and feedback to teachers to lessen burden on principals.	http://www.edconnective.com/	Priced per user
IRIS Connect	IRIS Connect gives you meaningful professional learning opportunities at every stage of the Joyce and Showers framework, going beyond traditional teacher PD and simple exemplar video content. Teachers can make every classroom observation part of a professional development plan that is truly transformational.	http://www.irisconnect.com/	Priced per user
Mindsteps	A PD Cohort combines training and support with the power of collaboration to help you and your teams reach new heights. We offer customized Cohorts for teachers, administrators and coaches for groups of 10 – 25 participants. Cohorts can last for a single semester or an entire school year.	http://www.mindstepsinc.com/pdcohorts/	Contact for quote
Teachstone	MyTeachingPartner™ Coaching is a research-based program that's been proven to boost teachers' effective classroom interactions and improve child outcomes.	http://teachstone.com/services/training/other-trainings/myteachingpartner-coaching/	Contact for quote
TNTP	You'll be matched with an experienced coach who knows your subject, and who will get to know you. You'll talk about your teaching: How would you describe your teaching style? What special needs do students have? Together you'll decide how coaching can best support your classroom.	http://tntp.org/virtualcoaching	Contact for quote
